

(Old Liberty Road)

It is the intention of NYS Easement Law, Article 145 Section 7(2)(b), for any person, unless he is acting under the direction of a duly licensed professional engineer, to prepare a preliminary site plan for a proposed project, and to submit it to the local planning board for review and approval. The local planning board may, at its discretion, require the applicant to submit a final site plan, which shall be prepared by a duly licensed professional engineer, and to submit it to the local planning board for review and approval. The local planning board may, at its discretion, require the applicant to submit a final site plan, which shall be prepared by a duly licensed professional engineer, and to submit it to the local planning board for review and approval. The local planning board may, at its discretion, require the applicant to submit a final site plan, which shall be prepared by a duly licensed professional engineer, and to submit it to the local planning board for review and approval.
