The Following Resolution Was Duly Adopted: Res. No. 72 of the Year 2018.

ACCELA SOFTWARE

Total Cost \$5,154.56 (Not to Exceed)

Invoice for annual fee for accounting software support and maintenance for 2018.

(Note: Discussion was held regarding whether the software support and maintenance with Accela is necessary since the Accounting/HR Management Software has been replaced with Logics LLC. Comptroller Lasher advised that the payroll function with the new software program has not been converted. He is not sure when the module would be available; however they would still like to maintain the Accela program for a while in order to search prior information. They are currently experiencing some issues with the new program, but Logics LLC has been accommodating in regards to most of the issues. The Town Board decided to approve the invoice, but authorized Supervisor Rieber and Comptroller Lasher to negotiate with Accela for a reduced cost. Attorney Mednick will review the agreement with Logics LLC to determine when the payroll module conversion would be completed and available and if services are being paid for that has not been received. Attorney Mednick may have to prepare a letter to Logics LLC regarding the matter depending upon the terms of the agreement. Supervisor Rieber will report back with his findings and the Town Board will be advised if further action is necessary.)
