In the Matter of the Creation of the ROUTE 42N
LIGHTING DISTRICT of the Town of Thompson,
Sullivan County, New York.

**NEGATIVE DECLARATION
UNDER SEQR**

*****X

1. The Town Board of the Town of Thompson, by resolution duly adopted at a regular meeting thereof, held on the 15th day of March, 2022, did determine that creation of the Route 42N Lighting District in the Town of Thompson, will not have a significant effect on the environment.

2. Lead agency for such project is the Town Board of the Town of Thompson, whose address is 4052 Route 42, Monticello, New York 12701, the designation of which was accomplished by resolution duly adopted at a regular meeting of the Town Board held on the 6th day of July, 2021.

3. The person to contact for further information is Supervisor William J. Rieber, Jr., whose address is 4052 Route 42, Monticello, New York 12701, telephone number 845-794-2500.

4. The proposed creation of the Route 42N Lighting District enables property owners within the district to use the lighting facilities throughout the State Route 42 corridor. It will allow improvements that will benefit the commercial area located primarily on State Route 42 and Anawana Lake Road by increasing visibility to storefronts, improve vehicle and pedestrian safety, reduce crime and increase usage of businesses within the area. The costs thereof being borne solely by the property owners of the newly created lighting district.

5. The basis for the negative declaration is as follows: that the creation and operation and maintenance of the lighting facilities of the Route 42N Lighting District and the use thereof by the property owners within the district will not violate any of the criteria for determining environmental significance as set forth in Part 617 of the Regulations.

Part 3 - Determination of significance. The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

☐	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
☒	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
