INSTRUCTIONS TO BIDDERS

- (X) **PRICE.** Price shall be net and shall include delivery of the material or item to the location specified, and if no location be specified, the Town Hall, 4052 Route 42, Monticello, New York 12701, and all transportation and delivery charges shall be prepaid to the point of delivery.
- (X) **TAXES.** Purchases by the Town of Thompson for its use are not subject to any sales, use or federal excise taxes and exemption certificates will be executed upon request and payment
- (X) **AWARD.** Award of the bid shall be made by the appropriate officer of the Town of Thompson. In cases where two or more responsible bidders submit identical bids as to price, the contract may be awarded to either of such bidders. The award shall be made on the most advantageous bid, on a quality versus price basis, taking into consideration the responsibility of the bidder and materials or items deemed to be best adapted to the uses of Town of Thompson. Failure on the part of the successful bidder to comply with all terms of the contract and specification as set forth herein, may result in disqualification of the bidder from future bidding, and/or termination of the contract. The Town of Thompson or department awarding the bid reserves the right to waive any formalities or reject any and all bids, or to accept any bid which it deems in the best interests of the Town of Thompson.
- (X) **INFORMATION FURNISHED WITH BID.** Bidder must submit with its bid detailed specifications, illustrated circulars and all other necessary data on the materials or items it proposes to furnish.
- () **SECURITY DEPOSIT.** Each bid must be accompanied by a certified check or bond payable to the Town of Thompson in the amount of 5% of the gross bid price before trade-in allowance, if any. Such deposits will be returned to the unsuccessful bidders promptly and to the successful bidder upon performance of a contract of purchase or upon delivery of the aforementioned items or materials as the case may be. In the event that the successful bidder shall refuse or fail to comply with the terms of the contract herein set forth, all or a portion of the security deposit may be retained by the Town as liquidated damages.

- (X) **METHOD OF SUBMITTING BIDS.** All bids shall be made upon and in accordance with the forms which contain these instructions to bidders and the Specifications which shall be available from the **Town Clerk**. Bids to be submitted in sealed envelopes addressed to the **Town Clerk, Town Hall, Town of Thompson, 4052 Route 42, Monticello, New York 12701**, and shall bear upon the face thereof the name and address of the bidder, clearly indicating that it is a bid for **Spray Paver Installed Bonded Wearing Course (Various)** with the bid number, if any, set forth above.
- (X) **SUBMISSION AND OPENING OF BIDS.** Bids for consideration must be submitted to the above address or be in the possession of the **Town Clerk** not later than **2:00 P.M. on Thursday, March 21st, 2024** at which time the bids will be publicly opened and read. Bidder guarantees to meet standards established by the specifications. No bid may be withdrawn by any bidder for a period of 45 days from the date of bid opening.
- () **BID AS CONTRACT.** This bid, including the Instructions to Bidders, Specifications, and Proposal annexed hereto, shall constitute a contract between the Town of Thompson and the bidder, upon acceptance and award, in accordance with its terms, unless otherwise provided herein. The "Standard Contract Rider" attached hereto shall apply to and be incorporated herein by reference. If there shall be a conflict between the terms of these instructions and the Standard Contract Rider, the terms of the standard Contract Rider shall prevail. For the purposes of the Standard Contract Rider, the term "Vendor" shall mean the bidder herein. Supervision of performance of this bid and contract shall be performed by the **Town Clerk**.
- () **BID IS NOT CONTRACT,** if this bid is not a contract, the bidder shall be required to sign a separate contract setting forth the terms of agreement in such form as the Town shall acquire which shall contain terms and conditions similar to contracts prepared for similar items, materials and services to be provided to the Town. The failure to execute such contract shall be deemed a default under the terms of this bid.
- (X) **EQUAL OPPORTUNITY.** The bidder will return the bid proposal with the Contractor's Assurance on Equal Opportunity duly signed. A finding by any governmental agency that the bidder has discriminated against any individual shall be grounds for the termination of the contract to which this bid relates and ineligibility for any future contract with the Town, unless a certificate of compliance with any decision, ruling or order is obtained.

(X) PARTICIPATION BY POLITICAL SUBDIVISIONS, FIRE DISTRICTS AND ANY OTHER DISTRICT IN A POLITICAL SUBDIVISION LOCATED IN WHOLE OR IN PART WITHIN THE STATE OF NEW YORK. The successful bidder shall upon order by participation by political subdivisions, fire districts and any other district in a political subdivision located in whole or in part within the State of New York, provide the goods or services bid upon to such purchaser upon the same terms and conditions as bid for the Town of Thompson. The successful bidder shall be paid by each purchaser and the Town of Thompson shall not be liable to the successful bidder for any such purchases made pursuant to this paragraph. The Town of Thompson shall not be liable to any purchaser for non-performance of this contract in any manner and for any reason.

Limits: \$ Other

Except as modified with respect to limits of liability, all other provisions of said paragraph shall remain in full force.

NOTE: All boxes marked (x) are applicable to this contract.

NOTICE: No contractor to whom this contract is let, granted or awarded, shall transfer, convey, sublet otherwise dispose of same, or his right, title and interest herein, including the performance of this contract, or the right to receive monies due or to become due, or of his power to execute this contract to any person or corporation without the prior written consent of the officer, board or agency which awarded this contract. In the event that the contractor shall, without prior written consent, assign, transfer, convey, sublet otherwise dispose of same, or his right, title and interest herein, including the performance of this contract, or the right to receive, monies due or to become due, or of his power to execute this contract to any person or corporation, or upon receipt by the Town of an attachment, levy, or execution on the proceeds due or to become due under this contract against the contractor, the Town and the officer, board or agency shall be relieved and discharged from any and all liability and obligations growing out of such contract to such contractor, and the person or corporation to which such contract shall have been assigned transferred, conveyed, sublet or otherwise disposed of, and such contractor and his assignees, transferees or sub lessees shall forfeit and lose all monies theretofore earned under this contract, except so much as may be required to pay his employees.

SCOPE

It is the intent of this specification to describe the spray paver installed bonded wearing course system. The highways to be done will be determined by the Superintendent of Highways.

QUALIFICATIONS

All bidders shall have a minimum of two (2) years experience in the placement of hot mix asphalt through a spray paver, and be prepared to furnish proof of experience.

ADJUSTMENT CLAUSE

The Town will use the February 2024 \$602/ton base liquid asphalt cost for New York State for calculating the bid price of all asphalt products. For the monthly adjustment the Town will use the posted NYSDOT Posted Price for Asphalt (Performance Graded Binder) <https://www.nysdot.gov/main/business-center/contractors/construction-division/fuel-asphalt-steel-price-adjustments>. To calculate the increase or decrease the town will multiply the difference in the monthly price by **7.5%**. When the contractor submits its invoice they must supply documentation that states the monthly NYSDOT Asphalt Price.

Example of Adjustment:

Towns base price-	\$600.00
NYSDOT Feb. Price-	\$426.00
Difference in Price-	\$174.00

Calculation (\$ -174.00 X .075 = \$ -13.05 per ton)

The decrease in the per ton bid price would be \$ 13.05

METHOD OF PAYMENT

Payment will be made for Items 1-6 per English Ton of the specified material, which price and payment thereof shall constitute full compensation for all labor, equipment, expenses and incidentals. Additional charges for items 7-10 will be made based on the unit of measure listed on the Bid Form.

Optional trucking costs will be based on an hourly rate per truck.

TERM

The term of the agreement shall be from date of award through March 31, 2025. With the bidder's and highway superintendents approval, the Town of Thompson has the right to extend the bid price(s) up to 2 additional 12 month periods ending on March 31, 2027.

DESCRIPTION

The Spray Paver Installed Bonded Wearing Course system shall consist of a warm polymer modified asphalt emulsion sprayed immediately preceding the application of a hot mix asphalt wearing course which forms a homogeneous well textured and durable wearing surface that can be opened to traffic immediately on cooling. The normal thickness of the layer shall be 5/8"; the maximum thickness of the mat shall not exceed 2". The wearing course system shall be placed in one(1) pass by a single machine. This machine shall complete the operation by spraying the polymer modified asphalt emulsion binder and applying a hot mix asphalt overlay. The machine shall incorporate a receiving hopper, asphalt emulsion storage tank, variable width asphalt emulsion spray system, and a variable width heated screed. The machine shall be capable of applying the wearing course at 20 to 100 feet per minute, and actual application shall not be less than 30 feet per minute.

POLYMER MODIFIED ASPHALT EMULSION MATERIAL

The liquid material shall be a cationic, rapid-setting, asphalt emulsion NYS Item 702-4001, except as modified in DATA TABLE 1-POLYMER MODIFIED ASPHALT EMULSION (CRS-1P). The emulsion shall be obtained from a storage facility that has been approved by the Director, Materials Bureau, New York State Department of Transportation, within the current calendar year, prior to the start of work.

HOT MIX ASPHALT MATERIAL FOR WEARING COURSE

The wearing course shall be a plant mixed hot asphalt concrete and shall be a mixture of single size coarse aggregate, fine aggregate, mineral filler and asphalt cement. The single size coarse aggregate shall be nominal 1/4" for Type A mix, nominal 3/8" for Type B, or nominal 1/2" for Type C mix according to the gradation specifications in Data Table II. The hot mix asphalt concrete shall be obtained from a facility that has been approved by the Director, Materials Bureau, New York State Department of Transportation, within the current calendar year, prior to start of work. The asphalt content of the mix shall be 4.8-5.4% by weight of the total mix and must be computed based on the actual job mix.

SURFACE PREPARATION

The following items will be performed by the Highway Department, unless otherwise directed. It is inherent of that all of the following items have been completed, prior to the start of the project.

- All utilities including, but not limited to, manhole covers, water valves, catch basins, and other drainage structures shall be clearly referenced for location and will be adjusted by the municipality.
- Thermoplastic traffic markings shall be removed. All vegetable matter at the edge of the pavement shall be removed
- Before applying the wearing course, serious surface irregularities shall be corrected.
- Wheel ruts greater than 1" in depth shall be filled prior to the surfacing operation.
- The pavement surface area to be overlaid shall be cleaned and made free of any debris that may hinder bonding of the overlay.

APPLICATION

For Items 1-6, material shall be placed on a dry or damp(not wet) pavement surface. The pavement temperature shall not be less than 50°F and rising. The polymer modified asphalt emulsion shall be applied by the asphalt emulsion spray system mounted on the self-priming paver. The spray system shall accurately, uniformly, and continuously monitor the rate of application across the entire width to be overlaid.

The rate of spray shall be 0.2 +/- 0.05 gallons per square yard. The asphalt emulsion shall be applied at a temperature of 140°F-180°F. No wheel or other part of the paving machine shall come in contact with the polymer modified asphalt emulsion before the hot mix asphalt-wearing course is applied.

The hot asphalt concrete wearing course shall be delivered to the self-priming paver at a temperature of 315°+/- 15°.

The application rate of bid items 1-6 shall follow NYSDOT Standard Specifications section 400.

The hot mix asphalt-wearing course shall be spread over the polymer modified asphalt emulsion within seconds of the spray application. Where shape correction is necessary or the old surface is porous, the application rate of the emulsion and hot mix asphalt wearing course may need to be increased.

Compaction of bid items 1-6 shall be accomplished with a minimum of a steel wheeled, double drum roller of minimum dead weight of 10 tons before the material temperature has fallen below 180° at mid-layer.

TRAFFIC

Adequate flagmen and control devices shall be supplied by the municipality to ensure the safety of the general public and the contractor's work force, and also to minimize the disruption of traffic flow*.(as per section 619 of NYSDOT Standard Specifications and "New York State Manual of Uniform Traffic Control Devices"). Should the contractor be responsible for traffic control, this will be paid under bid item 9, per flagger per day.

*** Road closed and detour signs will not take the place of traffic control**

The new pavement surface may be opened to traffic when rolling is completed and proper cooling has taken place. In general traffic can use the new surface at a distance of 300' behind the last roller.

STANDARD CONTRACT RIDER**

- II. If the Town shall be in default under this contract, the Vendor may seek recovery of any monies due the Vendor, provided however, that in the event that the Town shall have disallowed costs or expenditures after audit and after notice to the Vendor, it shall be a condition precedent to the institution of any action or proceeding by the Vendor against the Town that Vendor shall have paid such amounts so claimed by the Town.
- III. The Town may procure, upon such terms and in such manner as the Town may deem appropriate, supplies or services similar to those so terminated, and the Vendor shall be liable to the Town for any excess costs for such similar supplies or services.
- 15. **NOTICES:** Notices required by this contract to be sent by one party to the other shall be sent by the Town to the Vendor at the address set forth herein and by the Vendor to the Town at 4052 Route 42, Monticello, New York 12701. Notices shall be mailed by certified mail, return receipt requested or delivered to the party personally. The parties may give written notice of a change of address.
- 16. **BINDING NATURE:** This contract shall bind the parties hereto their heirs and successors. The performance of any services to be performed pursuant to this contract by the Vendor shall not be assigned without the prior written consent of the Town. The Vendor shall not assign the payment of any monies due under this contract.
- 17. **AMENDMENT:** This contract may be modified only in writing.
- 18. **ADDITIONAL RIDERS AND APPENDICES:** Attached to this contract are additional riders and appendices or required provisions of law, budgets and operating plans, all of which provisions are a part of this contract and shall be complied with by the Vendor.
- 19. **FACSIMILE SIGNATURES AND TRANSMISSION:** This contract may be executed in several counterparts signed by each party separately and transmitted to the other party by facsimile transmission. Such contract shall be valid evidence of execution for all purposes except payment. For payment each party shall have a fully executed copy of this contract manually signed by each party. All documents required to be submitted by one party to the other may be transmitted by such party to the other by facsimile transmission.
