**APPLICANT: 118 BRIDGEVILLE ROAD**

118 Bridgeville Road  
Monticello, NY  
S/B/L: 31.-1-40  
Kris Kyler, Property Owner

Applicant is requesting an Area Variance from §250-11 of the Town of Thompson Zoning Code for (1) Warehouse one side yard setback from required 35' to proposed 21'. Property is located at 118 Bridgeville Road, Monticello, NY. S/B/L: 31.-1-40. In the Zone: HC-2

Chairman McClernon read the legal notice aloud.

Kris Kyler explained that he is looking to tear down and replace his existing garage with a bigger one. The existing garage is currently non-conforming as it is only 21 feet from the property line. He is not looking to build the new garage any closer to the property line, but cannot shift it over to make it conforming.

The Board had the following questions:

- Why can't the new garage be shifted over?

Kris Kyler advised that it cannot be shifted due to the location of the septic system.

- Is there any other place on the property it can go?

Kris Kyler advised that this is the best place for it due to the grading/elevation of the rest of the property; which is why the current garage is where it is.

- How much bigger will the new garage be?

Kris Kyler advised that the current garage is 1,000 sq. ft. and the new, proposed garage will be 5,000 sq. ft.

- What is the need for a bigger garage?

Kris Kyler advised that he needs the additional storage space for his geothermal business, which he runs out of the house also located on the property. Jim Carnell added that the applicant will also need Planning Board approval and has started that process, but requires a variance first.

No further questions/comments from the board.

The meeting was opened up to the public for comment. No public comment.

A motion to close the public hearing was made by Jay Mendels and second by Sean Walker.
