From Thompson Supervisor Scott Mace

With regret, I need to cancel the Town of Thompson Town Board meeting scheduled for tonight, July 21st at 7pm. Due to scheduling issues, I will not have a quorum of other Board members in attendance to act on agenda items.

The public hearings scheduled for the moratorium on package plants and for CMS Campus Holdings will be rescheduled and reposted, probably for the August 4th meeting. I apologize for any inconvenience and I will be at Town Hall at 7pm tonight to address and answer any concerns. It will be an informal setting
